

BRISBANE AIRPORT TRANSFER INFORMATION

Arrive Domestic Terminal – transfer to the International Terminal

Step 1: Collect your luggage

After disembarking, proceed to the baggage carousel on Level 1.

Step 2: Bus from Domestic to the International Terminal

Follow the orange transfer signs to the 'Transfer Bus Stop'. The free bus runs every 10 minutes between the terminals.

Step 3: Arrival at the International Terminal

The Transfer Bus arrives at the departure level (Level 4) of the International Terminal. Proceed to check-in.

Step 4: Check-in

Check-in with your airline. Some airlines offer automated check-in kiosks and baggage drops.

Step 5: Departure gate

Proceed to the departure lounge and enjoy your flight.

Optional: Digital Departure Card Kiosk

You can fill out your departure card with the BNE Airport mobile app in advance. Once you have entered all the details, a QR code is generated. Present the QR code at the kiosk located before security and a departure card with your information will be printed.

BRISBANE AIRPORT TRANSFER INFORMATION

Transfer options between terminals

Brisbane Airport's International Terminal is located 4KM from Brisbane Airport's Domestic Terminal. There are a variety of options for transferring between terminals including:

Free Airport Transfer Bus

The Airport Transfer Bus is free and runs every 10 minutes between the International and Domestic Terminals. The bus operates between 5AM – 23:00PM.

Airtrain

Airtrain departs every 15 minutes during peak times between the terminals. Tickets are \$5 per person and can be purchased at the train platform and the Visitor Information Centre.

Taxi

Both International and Domestic Terminals have official taxi ranks conveniently located outside the terminals. Simply follow the 'taxi' signage.
