## Transfer options between terminals

Brisbane Airport's International Terminal is located 4KM from Brisbane Airport's Domestic Terminal. There are a variety of options for transferring between terminals including:

### Free Airport Transfer Bus

The Airport Transfer Bus is free and runs every 10 minutes between the International and Domestic Terminals. The bus operates between 5AM – 23:00PM.

### Airtrain

Airtrain departs every 15 minutes during peak times between the terminals. Tickets are \$5 per person and can be purchased at the train platform and the Visitor Information Centre.

### Taxi

Both International and Domestic Terminals have official taxi ranks conveniently located outside the terminals. Simply follow the 'taxi' signage.
