Your gateway to Brisbane Airport's \$5+ billion capital program

These projects reflect our commitment to building a world-class airport precinct through open, flexible, and collaborative partnerships. Over the next five years, we will invest more than \$5 billion in capital works, creating meaningful opportunities for contractors, consultants, and businesses across Queensland and beyond.

The pipeline is designed to enhance operational capacity, improve passenger experience, and support long-term growth, while fostering shared success throughout the region.
