

Civil Maintenance Officer

About Brisbane Airport Corporation

Brisbane Airport Corporation Pty Limited (BAC), the operator of Brisbane Airport (BNE), is a proud, private, un-listed Queensland company, employing thousands of Queenslanders and creating economic opportunities for the state and city of Brisbane equating to more than \$4 billion annually.

Operating 24 hours a day, seven days a week, BNE has two major Terminals accommodating 33 airlines flying to 83 domestic and international destinations. It is a suburb in its own right, the largest capital city airport in Australia by land size (2,700 hectares) and the third-largest airport in Australia by passenger numbers with more than 23.4 million passengers travelling through the airport in FY18.

More than 425 businesses are located at BNE, servicing a diverse range of industries offering services such as freight and aircraft handling, warehousing, transport and communications, manufacturing, research, property and infrastructure development, education and training, recreation, tourism, accommodation, leisure and retail. Collectively these businesses employ nearly 24,000 people, a number expected to exceed 50,000 (the size of a regional town) by 2034.

With passenger numbers forecast to more than double by 2034, since FY12 BAC has invested \$1.7 billion building critical infrastructure, with a further \$1.8 billion worth of infrastructure to be delivered between FY18 – FY22.

Projects to be delivered include a new runway, new multi-level car park and walkway facilities, road terminal expansions, terminal redevelopments, new apron and taxiways, road and cycling path upgrades and a number of new commercial buildings.

About the Position

We are currently looking to recruit a Civil Maintenance Officer who will be responsible for undertaking specified and allocated maintenance activities and repairs as directed by the Civil Maintenance Team Leader, ensuring that works are performed efficiently and in conformity with safety standards.

Key deliverables associated with this role include timely proactive maintenance of BAC's civil assets as well as stakeholder relationships, excellence in service delivery and Regulatory Compliance.

Civil Maintenance Officer

Tasks and Responsibilities

- Assist in the effective day-to-day maintenance and repair of Brisbane Airport's Civil Assets, including but not limited to:
 - Undertake airside grass slashing activities
 - Undertake pavement sweeping
