*Welcome to Dandelion & Driftwood, Tea &
Coffee Crafters. It is our pleasure to share with
you an innovative mix of new and old methods
of enjoying the timeless classics; tea & coffee.*

TAKE AWAY MENU

We have a choice of two Specialty Coffees from the
D&D Espresso Bar for take away. These include our
two gorgeous award winning haus blends-

Dandelion Blend

Dandelion represents the yin of our business
– this blend is mellow on the palate, with a milk
chocolate body, subtle softness, refined, jammy
fruit sweetness & nutty undertones.

Driftwood Blend

Driftwood characterises the yang of our business
– in this blend notes of molasses, liquorish, dry
berries will dance on the palate, with a rich dark
chocolate body and an earthiness to the finish.

Our tea & coffee standards are well known, please if you have a special request for your tea or coffee order accordingly, for example half strength, soy milk, extra hot and we will accommodate your wishes. We are also proud to offer a wide selection of single estate & blended teas including black, green and herbal teas.

Thanks for understanding our pursuit for excellence!
